NATA Hot Product Pavilion

Draw traffic to your booth by featuring your products in the Hot Product Pavilion! Located in a high-traffic area in the convention center, the Hot Product Pavilion is a must-see destination for attendees to locate the best-selling products and discover the latest innovations your company has to offer. Your HPP entries will be displayed in a secure glass case with a tent card that details your company name, product name and booth number (to send our attendees directly to your booth). You may showcase up to five (5) products.

ENTRIES ARE DUE TO THE NATA OFFICE BY FRIDAY, JUNE 2.
