ATs Care/ICISF Group Crisis Intervention Pre-Conference Workshop

Date: Wednesday, June 17th 8:00am-4:00pm
Lunch is not included; there will be a one-hour break for lunch.

Workshop Description:
Designed to present the core elements of a comprehensive, systematic and multi-component crisis intervention curriculum, the Group Crisis Intervention course will prepare participants to understand a wide range of crisis intervention services. Fundamentals of Critical Incident Stress Management (CISM) will be outlined and participants will leave with the knowledge and tools to provide several group crisis interventions, specifically demobilizations, defusings and the Critical Incident Stress Debriefing (CISD). The need for appropriate follow-up services and referrals when necessary will also be discussed.

Program Highlights

- Relevant research findings
- Relevant recommendations for practice
- Incident assessment
- Strategic intervention planning
- “Resistance, resilience, recovery” continuum
- Large group crisis interventions
- Small group crisis interventions
- Adverse outcome associated with crisis intervention
- Reducing risks
- Critical Incident Stress Debriefing (CISD)

It is recommended the attendee completes "Assisting Individuals in Crisis" as a pre-requisite to this workshop. An online portion of the course is required to complete prior to arriving on-site for the course. The lead instructor will contact you with information to access the materials 2 weeks prior to June 16th.

CEUs: This course is eligible for up to 14 CAT D CEUs.
