THANKS FOR ATTENDING

DON'T FORGET ABOUT ON-DEMAND CONTENT & AT EXPO

Thank you to all VNATA 2020 attendees who participated in the live event from their homes and offices around the world! Although the format may have looked different, the live portion of the 2020 NATA Virtual Clinical Symposia & AT Expo brought together thousands of athletic trainers, athletic therapists, sport rehabilitators and other health care providers for a one-of-a-kind educational experience.

Miss a session or need to earn more CEUs? VNATA 2020 educational content and the AT Expo will remain available to attendees through Sept. 10. All VNATA 2020 content is available to view in the On-Demand Video section of the VNATA 2020 platform. Enter the virtual AT Expo and click on one of the more than 125 company logos to enter their booth and view demonstrations, videos, pictures and product catalogs.
