Mark Your Calendar for More Live Events

There are still events to come during VNATA 2021. The VNATA 2021 platform added a "Coming Up" tab where attendees can see upcoming virtual events to attend. Up first: The 2021 Virtual EDAC Career Day is on the calendar for July 23. During Career Day, hosted by the NATA Ethnic Diversity Advisory Committee, VNATA 2021 student attendees can connect to ATs as they discuss their athletic training journeys and how mentoring has helped them in their careers. What To Know About Earning CEUs

To ensure you earn CEUs after attending a VNATA 2021 session, make sure you "Allow" pop-ups and redirects to prevent your device from blocking the assessments and watch each session in its entirety to access the assessment. If you don't complete the assessment before navigating away from the session, leave the On-Demand section, then return and watch the session again to access the assessment. Note: Be sure not to close your laptop during a session or the survey will not pop up. You can also check your transcript by going to Account and clicking on "Request New Certificate."

A link to access your statement of credit will be sent to the email address you used for your VNATA 2021 login by mid-October. If you do not receive the email, or have any questions about the CEU/statement of credit process, email knowledgeinitiatives@nata.org. [LEARN MORE](#)
