## NATA 2022 is Here: Welcome!

We are finally "Reunited AT Last" at the 73rd NATA Clinical Symposia & AT Expo! June 28 kicked off four days of the best athletic training educational programming and reconnecting for an in-person experience that isn't available to ATs anywhere else. Keep reading to see what NATA 2022 has to offer.

## BREAKING NEWS

### Download the NATA 2022 App

There is no printed convention guide this year, so the convention app is the best on-site tool to help you navigate the 73rd NATA Clinical Symposia & AT Expo. An email was sent to all in-person registrants June 27 with instructions on how to download the app. Download and log into the app using the same credentials you used in the NATA 2022 virtual portal in order for your schedule to sync. ## CONVENTION UPDATES

### CEUs at NATA 2022: What To Know

The in-person attendees at NATA 2022 can earn up to 20 CEUs. You will receive an email containing links to evaluations for every day's events. These emails will be sent to the address used to register for convention. Completion of the evaluations and assessments is key to enhancing your learning, providing feedback to speakers, improving future programming and ensuring CEUs are earned. [READ MORE](#)

### The Career Center Is Here Again

Employers and prospective employees can connect at the Career Center, located in the Connect area, any time before, during or after 73rd NATA Clinical Symposia & AT Expo. Employers can flag positions that are open for on-site interviews, while job candidates can search all open positions on-site and off-site. [LEARN MORE](#)

### The NATA Hall of Fame Induction Ceremony

The NATA Hall of Fame Induction Ceremony will take place 12:15 to 1:30 p.m. June 29 in the PCC, Terrace Ballroom. Witness the **class of 2020** and **class of 2022** get inducted into the prestigious NATA Hall of Fame. Induction into the NATA Hall of Fame commemorates athletic trainers who exemplify the mission of NATA through invaluable, lasting contributions that have enhanced the quality of health care provided by athletic trainers and advanced the profession.
