[READ MORE](#)**NATA 2022 APP**

There is no printed convention guide this year, so the app is the best on-site tool to help you navigate the 73rd NATA Clinical Symposia & AT Expo. On Monday, June 27, all in-person registrants will receive an email with instructions to download the app and access the virtual portal.

In the meantime, you are invited to begin building your schedule today using the [NATA 2022 event schedule](#). You can view the schedule without logging in; however, to add sessions to your schedule, you'll need to log in using the credentials found in the email you received from NATA 2022 on Tuesday, June 21. (If you can't find the email, check the email account you used for registration and check your spam folder.)

You will use the same login credentials for both the app and the virtual portal so once you download the app (available June 27) and log in, anything you've added to your schedule will be synced to the app!

Note: The schedule linked above offers a 70-page, printable PDF with truncated abstracts. For a concise, 12-page grid listing of all NATA 2022 events, download the [full schedule](#) found on the convention website.

App Features:

- View the full NATA 2022 event schedule
- Continue to build your personal schedule
- Access the AT Expo exhibitor listing
- Learn about the latest hot products
- View the 2020 and 2022 NATA Awards
- Receive important announcements
- Access venue maps
- See what's trending at #NATA2022
- And more!

App Tips:

- When searching for a keyword in the full schedule, click each day of the week to see all results.
- To filter the company list in the AT Expo, tap the filter icon at the bottom of the screen. Toggle on services you want to see and tap "Apply." Clear filters by clicking the "X" on each service.
- All events are listed in Eastern Daylight Time (EDT), which is the time zone Philadelphia is in. Because the NATA 2022 event app is location specific, if you use the app in another time zone, the session times will be adjusted to the time zone you are currently in. To avoid confusion, we recommend using the NATA 2022 event app once on-site in Philadelphia!

Travel Reminder

Should you experience any flight delays or cancellations while traveling to Philadelphia, please be sure to contact your confirmed hotel directly to advise them of a possible change in your arrival. If you do not change your arrival, the hotel may release your reservation or you may be charged one night's room and tax.

Power Up

We encourage you to bring a portable charger as wall power isn't readily available at the Pennsylvania Convention Center. Fuze charging stations are located on Level 1 outside rooms 108A and 119B, and on Level 2 near Registration Bridge East and outside Hall D. The cost is \$1 per 30-minute charge.

AT Expo

The NATA 2022 AT Expo floor plan and a complete list of exhibiting companies can be found on the [AT Expo – Attendees](#) page on the convention website.

Badge Reprint Policy

For your safety and security, NATA no longer offers on-site badge reprints.

Statements of Credit

NATA provides statements of credit post-event. An email will be sent to all attendees eligible for CEUs with instructions on how to access and print their statement of credit. This email will be sent to in-person attendees by the end of July. It is the attendee's responsibility to check their statement of credit, upon receipt, to confirm it is accurate. **It is also the attendee's responsibility to report hours actually spent in the educational programming.** If you have a question about your statement, email ki@nata.org.

Lab Equipment Sanitization

Lysol will be used to sanitize lab equipment during Advanced Tracks and Learning Labs. Please use caution if you are sensitive to aerosol products.

Convention Attire

We strongly encourage participants to dress in a manner befitting professionals while attending educational events and the AT Expo. Business casual – shirts, slacks, skirts and blouses (no jeans or shorts) – is the recommended attire. Learning Lab participants should wear lab attire (something comfortable you can move freely in) and return to business casual afterwards.
