Thank You for Attending!

Thank you to everyone who was able to join us during the **73rd NATA Clinical Symposia & AT Expo** June 28-July 1 in Philadelphia. Although the in-person dates might be over, NATA 2022 continues on the virtual portal through Oct. 31. There, you can access the NATA Foundation Free Communications Program posters, the virtual AT Expo and select recorded sessions from the in-person event (Note: in-person attendees can't earn CEUs by watching content on-demand).
